

Music You Are a Friend

[SOPRANO & ALTO]

Sometimes, when I am all alone
With no one that I can call my own

[TENOR & BASS]

A sweet song slips into my mind.

[ALL]

When that song begins,
I leave my cares behind.

And music, music,
You are a friend to me.
Your gift of melody
Is mine to share.

Sweet music, music,
You are my destiny!
Wherever I go I will know
That my song is there.

[TENOR & BASS]

Sometimes, when clouds are dark and grey
And blue skies are somewhere far away.

[SOPRANO & ALTO]

A sweet song brings the sun to mind.

[ALL]

When I hear my song
My cares are far behind.

And music, music,
You are a friend to me.
Your gift of melody
Is mine to share.

Sweet music, music,
You are my destiny!

You fill me with happiness,
Make me feel strong.
Wrap me in melody
All my life long.

Wherever I go I will know
That my song is there.
It's there.
My song is there!
